

Distance Learning and Telemedicine Grant Program Webinar

USDA Seeks Applications to Increase Rural Access to Education, Training and Health Care

Rural Development is making \$71.7 million in grants available under the **Distance Learning and Telemedicine Grant program**. This program helps rural communities use telecommunications-based audio and video equipment to connect teachers, students, medical providers and rural residents with each other and the world. Applicants who provide educational or health care services to rural communities through telecommunications facilities are eligible to apply. Applications will be scored, reviewed and selected on a competitive basis.

Topics covered will include: Program compliance & documents ~ Application Requirements ~ Program Resources ~ Application Process Examples ~ Guidance toward submitting a complete application

Eligible Applicants Include: Most State and Local Governmental Entities ~ Federally Recognized Tribes ~ Non-Profits ~ For-profit businesses ~ Consortia of eligible entities
