

## USDA Rural Development Construction Sign

In accordance with attached Exhibit A, the Contractor shall erect one sign at a prominent location as determined by the Owner at the Pre-Construction Meeting prior to the start of construction.

The contractor shall remove the temporary construction sign(s) when all construction has been completed.

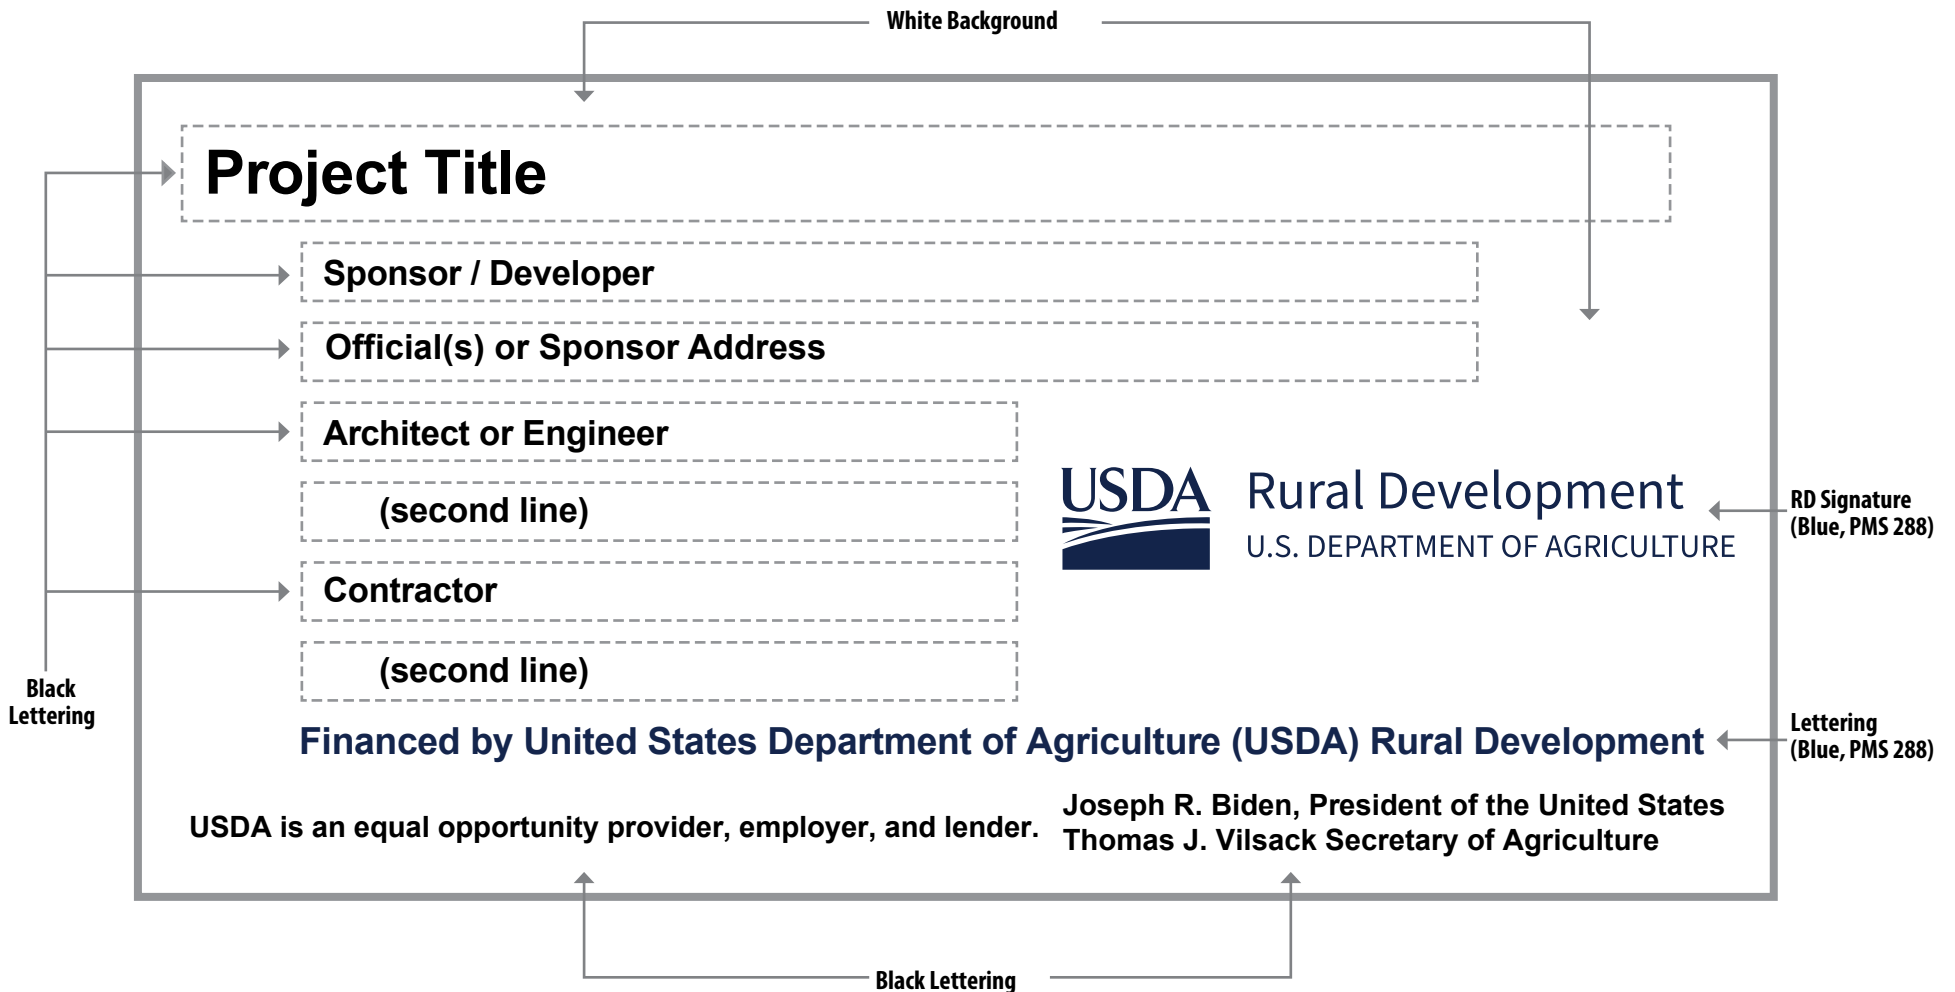

### NOTE TO USERS:

(remove all notes prior to incorporating the Guide 10 (page 1 and Exhibit A in the P&S package)

- 1) Recommended construction sign fonts: Helvetica, Arial, or Myriad Pro
- 2) An electric version of this document may be found at:  
<https://www.rd.usda.gov/programs-services/water-waste-disposal-loan-grant-program/il>
- 3) This document may be edited by Project Engineers to include specific project information.
- 4) USDA Rural Development will not approve Plans and Specifications (P&S) until the sign detail is included in the appropriate P&S package.
- 5) If funding from other Federal or a State Agency is being provided and a project sign is required by that funding source, the RD Community Programs Director may modify the standard project sign as determined appropriate. Sign details may also be modified to show multiple contractors, but typically only prime contractors should be shown.
