

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
AL	Doug Jones, Richard Shelby	Mo Brooks (05)	Oak Grove-Thach Volunteer Fire Department	\$116,000		This Rural Development investment will be used to purchase an emergency medical service (EMS) truck and equipment to better serve the residents of the Oak Grove-Thach community and surrounding communities. The current EMS truck is past its useful life. Oak Grove-Thach Volunteer Fire Department has served the area's 600 residents in Limestone County for 34 years.
AL	Doug Jones, Richard Shelby	Robert Aderholt (04)	The Marshall County Home Place, Inc.	\$100,000		This Rural Development investment will be used to provide additional financing for the construction of a four-unit, transitional housing complex to serve the homeless. Each unit will be approximately 1,050 square feet with one or two bedrooms and a full bath. Previous Rural Development funding included a \$749,400 Community Facilities loan in 2017. This project will serve approximately 8,200 people.
AZ	Jeff Flake, Jon Kyl	Martha McSally (02)	Echoing Hope Ranch	\$700,000		This Rural Development investment will be used to purchase the property and facility that Echoing Hope Ranch has used under a special use permit since 2012. Echoing Hope Ranch is a nonprofit organization that provides services to teens and adults with autism.
AZ	Jeff Flake, Jon Kyl	Raul Grijalva (03)	Regional Center For Border Health, Inc	\$28,108,300		This Rural Development investment will be used to construct a 64,000-square-foot multi-disciplinary health care facility on a 10-acre site in San Luis. The facility will provide a variety of outpatient and ancillary services as well as community rooms, training space, and community gardens. It will serve the border communities of San Luis, Somerton, Gadsden, the Cocopah Indian Tribe, and others in La Paz and Yuma counties. Presently, local residents must travel 30 miles for these services.
CA	Dianne Feinstein, Kamala Harris	Duncan D. Hunter (50)	Julian Medical Foundation, Inc.	\$3,000,000		This Rural Development investment will be used to convert a building into an outpatient medical clinic. The renovation and expansion will more than double the number of patients who will be able to be seen daily. The previous clinic had only two exam rooms. The expanded center will have eight. The Julian Medical Foundation serves the community's 1,500 residents. Additional funding includes \$281,196 from the Borrego Community Health Foundation and a \$9,304 applicant contribution.
CA	Dianne Feinstein, Kamala Harris	Tom McClintock (04)	Mark Twain Health Care District	\$678,000		This Rural Development investment will be used to provide additional financing for a new medical clinic that will provide services including telehealth, behavioral health, women's health and physical therapy. The clinic will serve more than 3,000 residents in Valley Springs. Additional financing includes a \$6,782,000 Rural Development Community Facilities loan in FY 2015 and a \$1,805,455 applicant contribution.
CA	Dianne Feinstein, Kamala Harris	Tom McClintock (04)	Mother Lode Rehabilitation Enterprises, Inc.	\$4,500,000		This Rural Development investment will be used to renovate a facility owned by Mother Lode Rehabilitation Enterprises (MORE). MORE provides vocational, social and other skills training for adults with disabilities. Additional funding includes a \$500,000 applicant contribution and \$716,302 in local funds.
CO	Cory Gardner, Michael Bennet	Scott Tipton (03)	Welcome Home Montrose, Inc.	\$528,000		This Rural Development investment will be used to help Welcome Home Montrose purchase a site to serve veterans. This nonprofit organization is a full-service welcome center for veterans and military families to receive counseling and participate in support groups, training and other supportive services. This funding will provide a permanent home for the facility. It will benefit the area's 19,132 residents.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
FL	Bill Nelson, Marco Rubio	Neal Dunn (02)	Gulf Coast Children's Advocacy Center	\$282,600	\$61,100	This Rural Development investment will provide additional financing to renovate a building. The Gulf Coast Children's Advocacy Center provides services for children who are victims of neglect and abuse. Additional funding includes a \$398,300 Rural Development Community Facilities loan and \$137,400 Rural Development Economic Impact Initiative grant in 2016.
GA	Johnny Isakson, David Perdue	Doug Collins (09)	Medlink Georgia, Inc.	\$1,270,000		This Rural Development investment will be used to purchase and renovate a medical facility building. The medical practice serves approximately 2,800 patients resulting in more than 8,000 visits per year. The renovated, expanded space will result in reduced patient waiting times and a larger waiting area.
GA	Johnny Isakson, David Perdue	Doug Collins (09)	Medlink Georgia, Inc.	\$2,085,000		This Rural Development investment will be used to construct a building on the campus of the MedLink Georgia medical facility campus in Colbert. MedLink's Colbert facility serves more than 29,000 people primarily from Madison County. The new building will have two levels and approximately 7,800 square feet. It will include space for a pharmacy, rehabilitation services, midwifery, specialty care and a call center. Additional funding includes \$1 million from the Health Resources & Services Administration.
GA	Johnny Isakson, David Perdue	Austin Scott (08)	city of Eastman	\$33,500	\$25,000	This Rural Development investment will be used to purchase a new rescue truck for the Public Safety Department in the city of Eastman. The new vehicle will improve emergency response times for Eastman's 4,962 residents.
GA	Johnny Isakson, David Perdue	Sanford D. Bishop Jr. (02)	Valley Healthcare System, Inc.	\$156,000	\$25,000	This Rural Development investment will be used to purchase X-ray equipment. Valley Healthcare's Talbotton Medical/Dental Clinic is a full-service primary medical care and general dentistry practice that serves Talbotton's 6,865 residents in rural, West Georgia.
GA	Johnny Isakson, David Perdue	Sanford D. Bishop Jr. (02)	Valley Healthcare System, Inc.	\$20,000	\$25,000	This Rural Development investment will be used to purchase pharmacy shelving. Valley Healthcare's Talbotton Medical/Dental Clinic is a full-service primary medical care and general dentistry practice that serves Talbotton's 6,865 residents in rural, West Georgia.
IA	Charles Grassley, Joni Ernst	David Young (03)	Glen Haven Home, Inc.	\$400,000		This Rural Development investment will be used to provide additional financing to lease and renovate six cottages for skilled nursing care services, memory care and short-term rehabilitation. The new facility will be able to serve up to 69 residents in family-style living in each cottage. Additional funding includes a \$4.6 million Community Facilities direct loan and a \$641,000 applicant contribution.
IA	Charles Grassley, Joni Ernst	Steve King (04)	St. Anthony Regional Hospital & Nursing Home	\$12,607,000		This Rural Development investment will be used construct a free-standing cancer center on the campus of St. Anthony Regional Hospital. The center will combine all of the cancer services into one area. The facility will provide improved radiation and medical oncology services and house the upgraded linear accelerator. Currently, the cancer services are spread throughout the hospital, and there is not space for an upgraded linear accelerator. Additional funding includes a \$3.6 million Rural Development Community Facilities loan guarantee and a \$1,222,000 applicant contribution.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
IA	Charles Grassley, Joni Ernst	Steve King (04)	Hancock County Health System	\$6,433,000		This Rural Development investment will be used to renovate the Hancock County Health System hospital. Renovations will reconfigure and expand the surgical unit, emergency room and space for behavioral health services. This project will provide for better workflow and efficiencies to optimize care delivery for the area's 11,341 residents.
IA	Charles Grassley, Joni Ernst	Steve King (04)	Lakes Regional Healthcare	\$8,000,000		This Rural Development investment will be used to build an addition and remodel parts of the existing Lakes Regional Healthcare facility. A new entrance canopy and updated mechanical and electrical systems will be part of the project. The remodel and changes will allow the hospital to meet current safety codes and will increase the efficiency of staff and equipment. Additional funding includes \$1.4 million from a commercial lender. This investment will benefit the community's 4,840 residents.
IA	Charles Grassley, Joni Ernst	David Loebsack (02)	Monroe County Hospital	\$16,500,000		This Rural Development investment will be used to construct an addition to and renovate the Monroe County Hospital. The project will increase capacity and provide more space for large equipment. Additional funding includes a \$1,290,000 applicant contribution, a \$1 million USDA Rural Economic Development Loan, and \$2 million in tax-exempt bonds.
IL	Richard Durbin, Tammy Duckworth	Mike Bost (12)	Randolph County	\$242,000		This Rural Development investment will be used to replace the roof on the Randolph County Care Center in Sparta. The 100-bed, skilled-care nursing facility provides long-term and short-term care, as well as, physical, speech and occupational therapy and counseling services to residents of all ages. This project will enable the county to continue to provide quality health care services to the county's 33,000 residents.
IL	Richard Durbin, Tammy Duckworth	John Shimkus (15)	Ferrell Hospital Community Foundation	\$34,260,000		This Rural Development investment will be used to build a 55,000-square-foot addition to the west side of the hospital and renovate 17,370 square feet of the existing building. The addition will create a new public entrance for the hospital and the clinic. It will add new spaces for waiting rooms, the emergency department, lab, imaging department and pharmacy, and surgery and recovery rooms. It also will add 15 private rooms. The hospital serves approximately 21,000 residents primarily in Gallatin and Saline counties.
IL	Richard Durbin, Tammy Duckworth	Mike Bost (12)	Franklin Hospital District	\$2,600,000		This Rural Development investment will be used to purchase and renovate a medical office building and refinance debt. Franklin Hospital District is a critical access hospital in Benton, Ill. It serves approximately 40,000 people in Franklin County and surrounding areas.
IL	Richard Durbin, Tammy Duckworth	Rodney Davis (13)	Macoupin County Public Health Department	\$500,000		This Rural Development investment will be used to purchase and renovate a building to house the Public Health Department in Macoupin County. Renovations will expand services to an additional 3,000 patients, resolve parking problems and meet accessibility standards. This project will serve residents of Macoupin County and 14 surrounding counties.
KS	Pat Roberts, Jerry Moran	Lynn Jenkins (02), Roger Marshall (01)	CMH Foundation	\$9,525,000		This Rural Development investment will be used to acquire Community Memorial Healthcare's (CMH) critical access hospital in Marysville, Kansas. The CMH Foundation will lease the facility back to Community Memorial Healthcare to operate and maintain the campus. The CMH Foundation is a nonprofit organization that was formed in 2009 to support health care in Marshall County. This project will help ensure that the hospital can continue to serve the area's 10,000 residents. Additional funding includes a \$6,570,277 Community Facilities loan guarantee.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
KS	Pat Roberts, Jerry Moran	Roger Marshall (01)	Wichita County	\$760,000		This Rural Development investment will be used to purchase and install a new heating and air conditioning system for Wichita County Health Center hospital in Leoti, Kansas. The existing HVAC system has exceeded its life expectancy and is too expensive to maintain. This project will benefit the area's 2,234 residents.
KS	Pat Roberts, Jerry Moran	Lynn Jenkins (02)	Rural Health Resources of Jackson County Inc.	\$14,619,000		This Rural Development investment will be used to expand and renovate the critical access hospital in Holton, Kansas. A two-story rural health clinic will be built adjacent to the current hospital. The clinic will occupy the first level of the facility. The second level will house the administrative offices. Updates to the hospital facility include expansion and renovations to the emergency department, inpatient rooms, specialty clinic, public restrooms, corridors and roof. Additional funding includes a \$2 million Community Facilities loan guaranteed and a \$1 million applicant contribution. The population to be served by this facility is 16,328.
KS	Pat Roberts, Jerry Moran	Roger Marshall (01)	Sheridan County, dba Sheridan County Health Complex	\$2,250,000		This Rural Development investment will provide improvements to the critical access hospital within the Sheridan County Health Complex. Patient rooms and restrooms will be remodeled to meet accessibility standards, and plumbing and electrical systems will be replaced. The complex serves 2,556 people.
KS	Pat Roberts, Jerry Moran	Roger Marshall (01)	Jewell County Hospital	\$7,500,000		This Rural Development investment will be used to renovate and build an addition to the hospital in Mankato, Kansas. This project will move the health clinic and the physical therapy department into the addition. The addition will include a new main entrance to the hospital. The emergency department will be expanded. Other areas of the hospital will be renovated to meet new building and health care codes. This project will serve the area's 3,077 residents. Additional funding includes a \$500,000 USDA Community Facilities loan guarantee.
LA	John Neely Kennedy, Bill Cassidy	Ralph Abraham (05)	Concordia Parish Hospital Service District #1	\$30,000,000		Rural Development funds will be used to help the Concordia Parish Hospital Service District No. 1 construct a critical access hospital. The 87,185-square-foot hospital will include a main lobby, gift shop, outpatient clinic, emergency department, diagnostic imaging area, a pre-admitting exam clinic, lab, operating rooms, endoscopy room, a chapel and an area with cafe-style dining. The hospital will have 21 beds for inpatient nursing. Additional funding includes a \$6 million USDA loan guarantee and a \$434,386 applicant contribution. This investment will benefit the area's 20,822 residents.
ME	Susan Collins, Angus King	Bruce Poliquin (02)	Kennebec Valley Dental Coalition, Inc.	\$830,000		This Rural Development investment will be used to purchase a facility in Oakland and convert it to a dental clinic. This will allow the Kennebec Valley Dental Coalition to continue providing services to the area's 6,240 residents. The current building is being partially demolished. Additional funding includes \$380,000 from private donations.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
MI	Debbie Stabenow, Gary Peters	Fred Upton (06)	Cass County Community Mental Health Authority	\$4,066,000		This Rural Development investment will be used to help the Cass County Community Mental Health Authority, dba Woodlands Behavioral Healthcare Network, purchase and renovate the Midwest Energy Cooperative's headquarters facility. Woodlands is currently operating out of two leased locations. The proposed facility will be 17,000 square feet to accommodate intake, outpatient and administrative services. An additional 14,740 square feet of warehouse space will be repurposed to accommodate case management and restorative services for people with developmentally disabilities. Relocating into one building will enhance service delivery, improve staff retention, create a more hospitable area for clients, and will increase efficiency. The project is located in Cassopolis. It will serve approximately 52,000 residents.
MI	Debbie Stabenow, Gary Peters	Daniel Kildee (05)	Alcona Citizens For Health Inc	\$3,703,000		This Rural Development investment will be used to construct a health center in Oscoda, Mich. The 18,800-square-foot facility will house medical, behavioral health, care management, outreach and dental services. Alcona will lease a small portion of the facility to a local hospital for x-ray services. Alcona currently operates out of an older Air Force base building that is deteriorating. The new facility will be located in downtown Oscoda, providing easier patient access. Alcona has several health and dental clinics and pharmacies in eight counties in rural Michigan. This project will assist nearly 7,000 residents.
MN	Amy Klobuchar, Tina Smith	Collin C. Peterson (07)	Buffalo Lake Health Care Center	\$1,200,000		This Rural Development investment will be used to expand the Buffalo Lake Health Care Center. The existing facility is a 49-bed, skilled nursing home and 16-unit assisted-living center. This project is phase IV and will add four private rooms, a new entrance, office space, a therapy center and a community room. The improvements will serve the area's growing senior population. Additional funding includes \$6,902,000 in USDA Community Facilities loans and a \$545,000 applicant contribution.
MO	Roy Blunt, Claire McCaskill	Sam Graves (06)	Grundy County Nursing Home District	\$1,247,250	\$15,750	This Rural Development investment will be used to install a heating and cooling system and energy-efficient windows. The original boiler system is at the end of its life, maintenance costs are increasing. A new variable refrigerant flow system will significantly reduce utility costs and will allow residents to control heating and cooling on an individual basis. The Grundy County Nursing Home provides nursing and assisted- living care to Grundy County's 10,261 residents.
MS	Roger Wicker, Cindy Hyde-Smith	Steven Palazzo (04)	South Central Regional Medical Center	\$4,213,672		This Rural Development investment will be used to purchase the Jefferson Medical Associates (JMA) health clinic and equipment in Jones County. JMA employs 19 physicians in the fields of Oncology, Internal Medicine, Gastroenterology, Hospitalists, Pulmonary Medicine, Neurology and Cardiology. JMA's acquisition by the South Central Regional Medical Center will allow community residents to continue to receive specialized health care.
MT	Jon Tester, Steve Daines	Greg Gianforte (At Large)	Blackfeet Tribe	\$8,050,000		This Rural Development investment will finance the construction of a 39-bed, long-term-care facility on the Blackfeet Indian Reservation in northwest Montana. This project is Phase I of a planned 47-bed facility. Phase II will be constructed at a future date. The new, 27,079-square-foot facility will replace a smaller one that is 47 years old. It will provide space for residents who are now in facilities that are more than 60 miles from the community. This project will benefit the approximately 7,000 members of the Blackfeet Nation who live on or near the Reservation. Additional funding includes a \$2,750,000 USDA loan guarantee and a \$1 million applicant contribution. This project will benefit the approximately 7,000 enrolled members of the Blackfeet Nation living on or near the Reservation.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
NC	Richard Burr, Thom Tillis	Richard Hudson (08)	Pfeiffer University	\$37,350,620		This Rural Development investment will be used to construct a 43,150-square-foot facility for the new Occupational Therapy and Physicians Assistants program. The proposed building will not only benefit Pfeiffer University, but also will bring economic activity to downtown Albemarle. Part of the funding will be used to renovate three other buildings on the Meisenhiemer Campus. This investment will benefit 17,000 people, community residents, students and university faculty.
ND	Heidi Heitkamp, John Hoeven	Kevin Cramer (At Large)	Good Samaritan Hospital Association	\$40,000	\$75,300	This Rural Development investment will be used to purchase a 3D mammography machine for the Heart of America Medical Center in Rugby. It will allow patients to receive state-of-the-art mammography services without having to travel great distances. The nearest facilities that provide this service are 120 to 180 miles round trip. Additional funding includes a \$57,700 USDA Economic Impact Initiative grant and a \$207,224 applicant contribution .
NE	Ben Sasse, Deb Fischer	Adrian Smith (03)	Haven House Family Services Center	\$142,400	\$32,100	This Rural Development investment will be used to purchase and renovate a facility for the Haven House Family Services Center. Haven House is a 501(c)3 nonprofit that provides services to survivors of domestic and sexual abuse. The building to be purchased previously housed an eye doctor's practice. A larger facility with more rooms will provide more privacy for staff and clients.
NH	Maggie Hassan, Jeanne Shaheen	Ann Kuster (02)	Crotched Mountain Residential Services, Inc.	\$21,323,600		This Rural Development investment will be used to help Crotched Mountain Residential Services, Inc. (CMRS) acquire the assets of a rehabilitation center and school and convert it into an academy for people with autism. CMRS is one of the only facilities in New England dedicated to providing educational and residential services to children and adults with disabilities. The number of children removed from homes in New Hampshire due to substance misuse increased substantially from 2012 to 2017. This project will increase the ability to care for these children. The facility is the largest provider of assistive technology in the state and is an alternative to nursing home placement. These funds will transform the outdated school into a venue designed to maximize independence for students and prepare them for a rewarding life in the community after they leave. The school will provide vocational training for students of all abilities. Additional funding for this project includes a \$5,250,000 Community Facilities loan guaranteed and a \$6,011,400 applicant contribution.
NM	Martin Heinrich, Tom Udall	Ben R. Lujan (03)	Pecos Valley Medical Center Inc.	\$210,000		This Rural Development investment will be used to provide additional financing for the second phase of the expansion of the Pecos Valley Medical Center (PVMC). The center's caseload increased from 2,500 patients a year in 2013 to 3,300 in 2015. To meet this increase in demand, the facility has converted storage rooms into temporary offices. It has converted provider offices into exam rooms. Once Phase II is completed, the building will be a two-level structure. The lower level will house dental operators, telehealth work stations, a conference room, laundry and offices. The upper level will house offices, conference rooms, a lunch room and lockers. Additional funding includes a \$3 million USDA Community Facilities loan and a \$1 million grant from Health Resources and Services Administration.
NY	Charles Schumer, Kirsten Gillibrand	Chris Collins (27)	Livingston County	\$2,236,000		This Rural Development investment will be used to finance the 6,100-square-foot expansion of the Livingston County EMS (LCEMS) facility. An emergency operations center will be added. Eight of the county's 12 emergency vehicles will be stored in heated parking areas, thus allowing the diesel-fueled vehicles to be available in emergency situations even in frigid temperatures. The facility is in the town of Groveland in Livingston County. It provides emergency pre-hospital medical services to the county's 65,393 residents.
NY	Charles Schumer, Kirsten Gillibrand	Tom Reed (23)	Randolph Regional EMS Corporation	\$101,000	\$59,000	This Rural Development investment will be used to purchase a new 2017 road rescue - ultramedic ambulance. It will replace an 2008 model that has 80,000+ miles on it and has become unreliable. The new ambulance will serve the rural area of the town of Randolph and surrounding communities, population 2,602.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
OK	James Inhofe , James Lankford	Frank Lucas (03)	GPRMC Holdings Inc.	\$23,279,000		This Rural Development investment will be used to purchase the Great Plains Regional Medical Center in Elk City, currently owned by the Farmers Union Hospital Association. The hospital's primary service area covers eight zip codes in Beckham, Roger Mills and Washington counties in rural, Western Oklahoma. The population served is 45,227. The medical center is a 19-acre campus with three staff buildings and a 54-bed, short-term, acute care hospital constructed in 2009. The Rural Development financing will help ensure the current and future availability of health care in western Oklahoma. Additional funding includes a \$9.8 million Rural Development loan guarantee and a \$2,650,000 applicant contribution.
PA	Robert Casey, Patrick Toomey	Brian Fitzpatrick (08)	Lifequest	\$1,500,000		This Rural Development investment will be used to provide additional financing to construct 123 assisted-living units and renovate the facility. This investment will benefit the 8,800 residents of the rural area of Quakertown in Bucks County. Additional funding includes a \$40 million Community Facilities loan in 2017 a \$3,182,000 applicant contribution and \$2.8 million from the state.
PA	Robert Casey, Patrick Toomey	Bill Shuster (09)	Uniontown Hospital	\$26,848,000		This Rural Development investment will be used to expand the hospital, build a 3-tiered parking garage, redesign the hospital's entrances and make interior renovations. This project will benefit the 10,372 residents of Uniontown in Fayette County. Additional funding includes a \$5 million commercial loan through Somerset Bank and a \$500,000 applicant contribution.
SC	Lindsey Graham, Tim Scott	James E. Clyburn (06)	Hampton County	\$300,000		This Rural Development investment will be used to purchase a building in Varnville. This purchase will allow the county to relocate the coroner's and the emergency medical service offices and to provide space for the Air Methods medical helicopter, which serves 21,090 residents.
TN	Bob Corker, Lamar Alexander	Phil Roe (01)	Greeneville Emergency & Rescue Squad	\$66,000		This Rural Development investment will be used to help the Greeneville Emergency & Rescue Squad, Inc. purchase a 2001 Freightliner Pierce FL 70 fire & rescue vehicle. Its current vehicle, a 2006 Ford F550, continues to have mechanical issues and is too expensive to operate. The Greeneville Emergency and Rescue Squad serves Greeneville's 15,062 residents.
TN	Bob Corker, Lamar Alexander	Chuck Fleischmann (03)	Emergency Communication District Of Roane County	\$2,703,500		This Rural Development investment will be used to construct a new office building and a dispatch office for the rural 911 center. The project will be constructed on the old runway at the Rockwood Airport. The area being served is the community of Rockwood, which has a population of 5,562.
TX	Ted Cruz, John Cornyn	Mac Thornberry (13)	Knox County Hospital District	\$202,400		This Rural Development investment will be used to finance renovations, improvements, and purchase of equipment for the Munday Nursing Center. The project will include renovating the floors, ceiling tiles and lighting in the dining rooms, hallways, and purchase of washing machines, driers and dietary warming tables. Knox County Hospital District is located in Knox City which, has a population of 1,130 residents.
UT	Orrin Hatch, Mike Lee	Rob Bishop (01)	Uintah Basin Medical Center Inc.	\$56,359,000		This Rural Development investment will be used to expand the infrastructure and services offered by the Uintah Basin Medical Center in Duchesne and Uintah counties. These counties are located two and three hours away from full-service medical providers, requiring residents to travel long distances to see a specialist. Uintah Basin Health Care will complete renovation and expansion projects at three of its health care facility sites in Vernal and Roosevelt. A new surgery will provide more space for beds, equipment and medical personnel. Additional funding includes a \$6,262,200 Community Facilities loan guarantee. This investment will benefit the county's 51,195 residents.

**Community Facilities - Health Care Awards
USDA Rural Development
November 15, 2018**

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
VA	Mark Warner, Tim Kaine	Tom Garrett (05)	Tri-Area Community Health	\$1,000,000		This Rural Development investment will be used to provide additional financing to construct a community health center in Ferrum, serving 56,159 residents. The proposed 16,300-square-foot building will allow Tri-Area Community Health to increase services to the community. The new facility will include 15 exam rooms, a lab and secure medicine prep, two procedure rooms, x-ray, a full-size pharmacy and other office spaces. Additional funding includes a \$3 million USDA Community Facilities loan and a \$1,027,455 applicant contribution.
VT	Patrick Leahy, Bernard Sanders	Peter Welch (At Large)	Rutland Hospital, Inc.	\$34,200,000		This Rural Development investment will be used to help Rutland Hospital, Inc. modernize and consolidate health care services in the Rutland, Vt., region. A two-story addition to the medical office building will house the ear, nose and throat practice and the Vermont Orthopedic Clinic. Rutland Hospital, known as Rutland Regional Medical Center, is the second largest hospital and the largest community hospital in Vermont. It has provided health care services to the region for more than 100 years. This project will modernize and consolidate health services, expand the dietary program, allow modern trucks to make deliveries, and reduce operational expenses for the hospital, providing Rutland with improved health care services. Additional funding includes an \$8.6 million USDA Community Facilities loan guarantee and a \$2 million applicant contribution.
VT	Patrick Leahy, Bernard Sanders	Peter Welch (At Large)	Newport Ambulance Service, Inc.	\$82,800	\$50,000	This Rural Development investment will be used to purchase four cardiac monitors for the Newport Ambulance Service. The monitors currently in use are more than 10 years old and are not serviceable. Newport Ambulance responds to 3,000 calls a year, many of which are cardiac related. This equipment will help first responders save Newport's service area includes eight communities in Orleans and Lamoille counties.
WA	Patty Murray, Maria Cantwell	David G. Reichert (08)	Chelan County Public Hospital District #2	\$19,776,000		This Rural Development investment will be used to build an 80,000-square-foot critical access hospital facility in Chelan, Wash. The new facility will provide emergency services, surgery, pediatrics, and mental and behavioral health programs, including opioid treatment and community wellness programs. There will also be a helicopter pad for trauma transfers. This will replace the current, old hospital in Chelan. The new facility will serve 75,500 rural residents. Additional funding includes a \$2,250,000 Community Facilities loan guarantee, a \$2 million applicant contribution and \$20 million from an undisclosed source.
WI	Tammy Baldwin, Ron Johnson	Sean P. Duffy (07)	Cumberland Memorial Hospital, Inc.	\$34,985,200		This Rural Development investment will be used to construct a hospital in Cumberland, Wisc. The existing facility and equipment are antiquated and do not meet the area's current medical needs. The new facility will enhance access to and delivery of health care for an expanded regional area, providing crucial local health care options for patients who would otherwise travel more than 100 miles for care. The hospital will provide increased support for outpatient services as well as new and improved spaces for many specialty departments. This investment will benefit the 2,170 residents of the Cumberland area. Additional funding includes a \$5 million USDA Community Facilities loan guarantee and a \$1,772,700 applicant contribution.
WV	Joe Manchin, Shelley Capito	Evan Jenkins (03)	Recovery Point of Huntington, Inc.	\$600,000		This Rural Development investment will be used to purchase a facility at 101 Martin Drive in Mt. Hope, W.Va. After it is renovated, the facility will be used as a residential substance abuse rehabilitation home for approximately 130 individuals. The primary service area will include Fayette, Summers, Monroe, Raleigh, Boone, Kanawha, Clay, Nicholas and Greenbrier counties. Recovery Point provides innovative, residential recovery programs using a social model through peer mentoring and personal accountability. It operates five facilities across West Virginia, serving more than 350 individuals suffering from substance misuse disorders. Additional funding includes \$300,000 from West Virginia's Division of Justice and Community Services.

State	Sen.	Rep.	Recipient	Loans	Grants	Project Description
WV	Joe Manchin, Shelley Capito	Evan Jenkins (03)	Ceredo Volunteer Fire Department	\$147,000		This Rural Development investment will be used to replace outdated equipment in two ambulances and equip a third ambulance to return to service. The Department will purchase heart monitors, power stretchers, stair chairs and video laryngoscopes for the ambulances. The Ceredo VFD provides fire and emergency medical services to nearly 1,500 residents in the town of Ceredo and the outlying area of Wayne County, West Virginia. It operates two advanced life support ambulances on a 24-hour basis. It receives 1,000 calls per year on average. Additional funding includes a \$50,000 USDA Rural Development Community Facilities grant.
WY	Michael Enzi, John Barrasso	Liz Cheney, (At Large)	Hot Springs County Hospital District	\$21,346,000		This Rural Development investment will be used to finance an acute-care hospital expansion and renovation. The Hot Springs County Memorial Hospital is located in Thermopolis, Wyo. It serves the 4,812 residents of Hot Springs County and the surrounding areas. The original hospital was constructed in 1959, with only two notable renovations in 60 years. The project will include an expansion of the hospital, demolition of the patient wing, and extensive renovation of the existing facility including the clinic, pharmacy, imaging, and sleep lab. The hospital has been a cornerstone of the Hot Springs County community since its inception. It is the second largest employer in the county, with 143 employees. Additional funding includes a \$5,336,000 USDA Community Facilities loan guarantee and a \$250,000 applicant contribution.
WY	Michael Enzi, John Barrasso	Liz Cheney, (At Large)	Westward Heights	\$4,284,000		This Rural Development investment will be used to rehabilitate the only nursing home facility in Lander, Wyoming which serves the 7,487 residents of the community. To remain economically viable, the project needs to modernize the 35,000 square feet facility. Upgrades will include modifications to meet ADA requirements, converting two semi-private rooms with shared bathrooms to private rooms, and adding 10 beds. The project will help keep elderly people close to their families and communities. Additional funding includes a \$1,428,000 Community Facilities loan guarantee.
