

Community Facilities Direct Loans March 18, 2019

State	Sen.	Rep.	Recipient	Loans	Project Description
AL	Doug Jones, Richard Shelby	Robert Aderholt (04)	City of Tuscumbia	\$350,000	This Rural Development investment will be used to purchase a commercial building to house the Public Works and Street and Sanitation departments. Currently they are in separate locations and need more space. Combining them will reduce operating costs and allow for the sale of the current buildings. This project will serve the city's 8,423 citizens.
AL	Doug Jones, Richard Shelby	Robert Aderholt (04)	City of Sheffield	\$1,500,000	This Rural Development investment will be used to purchase a larger, platform-equipped fire truck. The new truck will provide better fire protection services to a new development coming to Sheffield. The fire department serves 9,039 people in Colbert County.
IA	Joni Ernst, Chuck Grassley	Cindy Axne (03)	City of Hamburg	\$225,000	This Rural Development investment will be used to purchase a new pumper truck for the city's 1,187 residents. The existing pumper trucks are 20 and 30 years old. The new truck will enhance dependability and safety for the firefighters. Hamburg has safety/mutual aid agreements to assist surrounding communities as well. A local fire department group that represents the city as well as Washington and Madison townships is providing \$205,000 in additional funding.
ID	Mike Crapo, James Risch	Russ Fulcher (01)	Shoshone County Fire District No. 2	\$2,900,000	This Rural Development investment will be used to construct a 12,800-square-foot emergency services facility in the city of Kellogg. The facility will greatly enhance the safety, health and welfare of firefighters and the city's 6,725 residents. This project will also upgrade the district's facility in Pinehurst.
KS	Pat Roberts, Jerry Moran	Steve Watkins (02)	City of Ottawa	\$1,617,000	This Rural Development investment will be used to complete the installation of a new interceptor sewer system for Proximity Park. The project will serve the city's 12,649 residents and several new businesses. The new system will consist of approximately 10,900 linear feet of sewer lines and 31 manholes within the 160-acre industrial park. A road will be constructed on the undeveloped sections of land to allow for access to manholes and general maintenance.
NC	Thom Tillis, Richard Burr	Ted Budd (13)	Town of Spencer	\$2,569,275	This Rural Development investment will be used to renovate a vacant building for the town hall and police department. This project will benefit 3,267 residents.
NC	Thom Tillis, Richard Burr	Walter B. Jones (03)	Northeast Academy for Aerospace & Advanced Technologies	\$5,700,000	This Rural Development investment will be used to purchase, renovate and convert part of a shopping mall into an educational facility. The renovations will provide approximately 65,000 square feet of space for a rapidly growing public charter school.
NC	Thom Tillis, Richard Burr	Robert Pittenger (09)	Town of Pembroke	\$1,677,800	This Rural Development investment will be used to implement Phase I of a streetscape redevelopment project in the town of Pembroke.

Community Facilities Direct Loans March 18, 2019

State	Sen.	Rep.	Recipient	Loans	Project Description
NE	Deb Fischer, Ben Sasse	Adrian Smith (03)	Boone County Health Center	\$23,218,000	This Rural Development investment will be used to construct additions and make renovations to the medical facility.
OH	Sherrod Brown, Rob Portman	Warren Davidson (08)	Village of Arcanum	\$2,500,000	This Rural Development investment will be used to construct an 8,400-square-foot building to house the village of Arcanum's Police Department and its administrative offices. The current building does not meet accessibility, safety or health standards. It also lacks a vehicle emission ventilation system, and is inundated with bats. The new facility will be fully accessible and will provide Arcanum's full- and part-time law enforcement officers and support personnel with adequate, safe and efficient space to serve the village's 2,129 residents.
OH	Sherrod Brown, Rob Portman	Troy Balderson (12) Bill Johnson (06) Steve Stivers (15) Bob Gibbs (07)	Allwell Behavioral Health Services	\$2,275,000	This Rural Development investment will be used to construct an 11,500-square-foot building for Allwell Behavioral Health Services' Coshocton County location. Allwell provides comprehensive mental health and addiction treatment services in Coshocton, Guernsey, Morgan, Muskingum, Noble and Perry counties. Its Coshocton County location provides care for about 1,378 patients annually. The new facility will provide access to modern mental health and addiction treatment services for the region's 229,000 residents.
OH	Sherrod Brown, Rob Portman	Troy Balderson (12)	Granville Township - Licking County	\$4,100,000	This Rural Development investment will be used to construct a 20,825-square-foot building to house Granville Township's fire department, barracks and administration offices. The firehouse is undersized, and the current location prohibits the unfettered movement of emergency vehicles and equipment. Additionally, the barracks are too small to support the growing department, which provides first responder services to the village of Granville and to Denison University. The department's administrative offices are in a house next to the barracks, are insufficient to meet the township's needs, and are not compliant with the Americans with Disabilities Act. The new location will allow for quicker response times to the 5,646 residents the fire department serves.
SC	Lindsey Graham, Tim Scott	Jeff Duncan (03)	Presbyterian College Real Estate Foundation	\$9,615,000	This Rural Development investment will be used to renovate three buildings on the campus at Presbyterian College in Clinton. Funds will be used to re-purpose the Springs Student Center to better serve the students and the community. This is Phase II to complement Phase I of the project in which USDA funded \$50.8 million in Fiscal Year 2018. The college currently has 899 students, but enrollment is projected to increase to 1,161 by 2022. This project will also create 11 jobs within the Occupational Therapy and Athletic Training program by 2022.

Community Facilities Direct Loans

March 18, 2019

State	Sen.	Rep.	Recipient	Loans	Project Description
SD	Mike Rounds, John Thune	Kristi Noem (At-Large)	Dakota Wesleyan University	\$14,527,000	This Rural Development investment will be used to construct a building that will house the university's business and community functions. Dakota Wesleyan University is located in Mitchell. The school of business is one of the last departments of the university to receive a much-needed upgraded facility. Currently, the business department is in the basement of an existing building. The new building, to be called the Center for Business and Innovation, will have 28,100 square feet of space. This project will serve 15,250 people in the community.
TN	Lamar Alexander, Bob Corker	David Kustoff (08)	West Tennessee Public Utility District	\$8,235,000	This Rural Development investment will be used to install 44 miles of gas pipeline in rural northern Weakley County. There are 102 agricultural chicken houses and 200 residential properties along the proposed expansion route. Several larger chicken houses are under construction, and dozens more are planned within the project area in the next 12 months. This area's economy rests solely on agriculture in row crop and chicken farms.
TX	Ted Cruz, John Cornyn	K. Michael Conaway (11)	Coleman County Medical Center District	\$13,608,000	This Rural Development investment will be used to upgrade the hospital to better serve the 8,895 residents of this rural county and surrounding areas. The project will include renovations to the cardiac rehabilitation, physical therapy and emergency departments. The project will enhance the hospital's ability to deliver quality health care, meet the community's needs and attract and retain quality physicians and other professional staff.
WI	Tammy Baldwin, Ron Johnson	Ron Kind (03)	Hunger Prevention Council of Pierce County, Inc.	\$127,000	This Rural Development investment will be used to help a long-term facility operate a food pantry in Ellsworth. The Hunger Prevention Council needs affordable, long-term facilities for the Pierce County Food Pantry. The pantry provides healthy and nutritious foods to the community. It will include an outdoor space with raised garden beds that will be used to teach community members how to grow healthy foods.
TOTAL				\$94,744,075
