Use in other projects shall be limited to those under other Federal grant programs or programs that have purposes consistent with those authorized for support by the Agency.
 - c. When the real property is no longer needed, as provided in paragraphs (a) and (b) above, the Grantee shall request disposition instructions from the Agency. The Agency will observe the following rules in the disposition instructions:

First preference for such other use shall be given to the Agency sponsored projects. Second preference will be given to other federally sponsored projects.

- c. **Disposition of equipment.** When the Grantee no longer needs the property as provided in paragraph 1 (a) and (b) above, the equipment may be sold or used for other activities in accordance with 2 C.F.R. § 200.313 and 7 C.F.R. §15.4(a)(3) :

The amount of compensation shall be computed by applying the percentage of Federal participation in the cost of the original Project to the current fair market value of the property. If the Grantee has no need for the equipment and the equipment has further use value, the Grantee shall request disposition instructions from the Agency.

 - iii. The Agency shall determine whether the equipment can be used to meet RHS or its successor agency's requirements. If no such requirements exist, the availability of the property shall be reported, in accordance with the guidelines of the Federal Property Management Regulations (FPMR), to the General Services Administration by the Agency to determine whether a requirement for the equipment exists in other Federal agencies. They shall issue instructions to the Grantee no later than 120 days after the Grantee's request and the following procedures shall govern:

- If so instructed or if disposition instructions are not issued within 120 calendar days after the Grantee's request, the Grantee shall sell the equipment and reimburse the Agency an amount computed by applying to the sales proceeds the percentage of Federal participation in the cost of the original project or program. However, the Grantee shall be permitted to deduct and retain from the Federal share 10 percent of the proceeds or \$500, whichever is less, for the Grantee's selling and handling expenses.
 - If the Grantee is instructed to ship the property elsewhere, the Grantee shall be reimbursed by the benefiting Federal agency with an amount which is computed by applying the percentage of the Grantee participation in the cost of the original grant Project or program to the current fair market value of the equipment plus any reasonable shipping or interim storage costs incurred.
 - If the Grantee is instructed to otherwise dispose of the equipment, the Grantee shall be reimbursed by the Agency for such costs incurred in its disposition.
- d.** The Grantee's property management standards for equipment shall be in accordance with 2 CFR § 200.313 and shall include:

 - ii. A physical inventory of equipment shall be taken, and the results reconciled with the equipment records at least once every two years to verify the existence, current utilization, and continued need for the equipment.
 - iii. A control system shall be in effect to ensure adequate safeguards to prevent loss, damage, or theft of the equipment. Any loss, damage, or theft of equipment shall be investigated and fully documented.
