

#MEETtheTEAM

“I’ve worked with USDA RD for almost 7 years. I would have to say my favorite program is the Single-Family Housing 502 Direct Program because it gives me the opportunity to be a part of homeowners achieving the American Dream by purchasing their first home. Homeownership not only provides a sense of security but also offers an opportunity for long-term wealth accumulation and personal growth.

For example, I recently helped a 502 Direct Borrower in Will County purchase a newly constructed home in collaboration with Will County Habitat for Humanity, Will County Land Use & Illinois Housing Development Authority. The combination of resources allowed the Borrower to purchase a newly constructed home with an affordable monthly mortgage payment.

Rural communities hold a special place in my heart as I’ve always lived in one and wouldn’t have it any other way!”
