306C WATER AND WASTE GRANTS							
CA	Alex Padilla Laphonza Butler	Raul Ruiz (25)	306C Water and Waste Grants - Colonias	Winterhaven County Water District	\$1,500,000		This Rural Development investment will be used to construct a new ground water well and make office improvements to address accessibility issues in the administrative building for the Winterhaven County Water District. The water district supports a small remote community in southern California. Repairs are necessary to bring the water system and office into accessibility and safety compliance.
NM	Martin Heinrich Ben Ray Lujan	Gabe Vasquez (02)	306C Water and Waste Grants - Colonias	City of Truth or Consequences	\$1,652,891		This Rural Development investment will be used to rehabilitate the city of Truth or Consequences' water distribution system by replacing old water lines. Approximately 57 percent of the water system is 50 years old and has high water pressures, which have led to extensive line breakage, making operation and maintenance continuous and costly. In recent years, the system has experienced an extreme amount of water loss and outages to critical need facilities such as hospitals, schools, and assisted living homes. This project will replace more than 13,000 linear feet of existing water pipe with larger diameter sized pipe and include the installation of new meter cans and water service lines.
NM	Martin Heinrich Ben Ray Lujan	Gabe Vasquez (02)	306C Water and Waste Grants - Colonias	City of Jal	\$9,214,000	\$3,387,000	This Rural Development investment will be used to rehabilitate the City of Jal, New Mexico's waste water treatment facility. The project will also additional facilities to handle disinfection process, new influent pump, equalization basin, and roughly 130 linear feet of new piping. In addition, construction of new headworks, a secondary treatment facility, a solids management and disposal facilities including sludge holding tank and dewatering facility will be completed. Lastly, new piping will be installed to connect to existing effluent discharge piping. This project will help the City of Jal to meet all the requirements of the Corrective Action Plan put into place as a result of deficiencies of the current wastewater treatment system. This combined effort on behalf of the state of New Mexico and USDA Rural Development, will allow the City of Jal to maintain their effluent Discharge Permit issued from the New Mexico Environmental Department.
TX	John Cornyn Ted Cruz	Monica De La Cruz (15)	306C Water and Waste Grants - Colonias	Olmito Water Supply Corporation	\$4,881,000	\$2,022,000	This Rural Development investment will be used to construct a wastewater collection system master-lift station in northwestern Olmito Water Supply Corporation's wastewater service area. The project will provide a sewer collection system to new residential area developments. The project will also include new wastewater pressure force mains for the purpose of redirecting existing wastewater flows from four smaller wastewater lift stations, which are operating at max capacity.
MT	Jon Tester Steve Daines	Matt Rosendale (02)	306C Water and Waste Grants - Native American	City of Wolf Point	\$4,674,000		This Rural Development investment will be used by the city of Wolf Point, Montana, to replace wastewater collection lines and update its Birch Street lift station, eliminating existing health and sanitary issues with the current system. Wolf Point is the largest community on the Fort Peck Indian Reservation and, when completed, this project will improve living conditions for more than 1,200 residents in its service area - both tribal and non-tribal.
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	306C Water and Waste Grants - Native American	Turtle Mountain Band of Chippewa Indians	\$3,938,000		This Rural Development investment will be used to replace and repair the water distribution system serving a portion of the city of Belcourt. The water main in this area of town was installed in the 1960s and is reaching the end of the 50-year design life. The area has experienced abrupt pipe failures and is difficult to repair due to the obsolescence of the pipe materials. There have also been additional users installed after the system was completed resulting in inadequate pressure and flow requirements. The completion of the project will bring this area of the system up to current standards and increase the quality of service to customers.

Number of Awards: 208; Grand Total: \$80,119,669

Loan Total: \$5,409,000; Grant Total: \$74,710,669

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	306C Water and Waste Grants - Native American	Turtle Mountain Band of Chippewa Indians	\$2,622,000		This Rural Development investment will be used to replace and repair the waste water collection system serving a portion of the city of Belcourt, North Dakota. The sanitary sewer in this area of town was installed in the 1960s and is reaching the end of the 50-year design life. The current system has excess infiltration, major dips in pipes, reverse flow, and frozen lines due to improper pipe depth which has resulted in numerous breaks and sewer backups. This project will bring this area of the system up to current standards and increase the quality of service to customers.
SD	John Thune Mike Rounds	Dusty Johnson (At Large)	306C Water and Waste Grants - Native American	Rosebud Sioux Tribe	\$1,356,000		This Rural Development investment will be used to replace asbestos cement water mains and service lines owned by the Rosebud Sioux Tribe. Replacement will occur in the Spring Creek community located on the Rosebud Indian Reservation. Rural Development funding consists of two grants totaling \$2,655,000. This project will ensure safe drinking water for nearly 270 community residents.
SD	John Thune Mike Rounds	Dusty Johnson (At Large)	306C Water and Waste Grants - Native American	Rosebud Sioux Tribe	\$1,278,000		This Rural Development investment will be used to replace asbestos cement water mains and service lines owned by the Rosebud Sioux Tribe. Replacement will occur in the Swift Bear community, located immediately west of White River, South Dakota. This project will ensure safe drinking water for the estimated 235 community residents.
APPALACHIAN REGIONAL COMMISSION GRANT							
KY	Mitch McConnell Rand Paul	Hal Rogers (05)	Appalachian Regional Commission Grant	KY Community & Technical College System	\$406,440		This Rural Development investment will be used to alleviate an unanticipated increase in expenses while renovating the Mayo Campus in Johnson County, Kentucky.
NY	Charles Schumer Kirsten Gillibrand	Marc Molinaro (19)	Appalachian Regional Commission Grant	County of Chenango	\$200,000		This Rural Development investment will be used to renovate a 5,400-square-foot jet hangar and a 1,134-square-foot administration building at the Lt. Warren E. Eaton Airport in Norwich, Chenango County, New York. The airport's jet hangar and administration building are severely outdated and in need of essential building repairs. Renovations to the airport will ensure the safety of those who use it, and will attract a Fixed Base Operator (FBO) to assume operations. Attracting an FBO will increase air traffic volume, create new economic opportunities in Chenango County for 13 businesses, and ensure the airport's long-term sustainability. Funding includes \$237,564 from the New York State Department of Transportation and 13,136 from the applicant's contribution.
NY	Charles Schumer Kirsten Gillibrand	Nick Langworthy (23)	Appalachian Regional Commission Grant	Village of Hammondsport	\$150,000		This Rural Development investment will be used to construct a village-owned wastewater collection and treatment system to address needs in the business district of the Village of Hammondsport, New York which is located in Steuben County. Improvements will include the installation of approximately 4,320 linear feet of sewer line and a commercial septic system benefiting the village square and downtown area.
NY	Charles Schumer Kirsten Gillibrand	Elise Stefanik (21)	Appalachian Regional Commission Grant	Cobleskill Agricultural Society	\$127,500		This Rural Development investment will be used to construct and equip a community commercial kitchen for the Cobleskill Agricultural Society, in Schoharie County, New York. This project will create a commercial kitchen capable of accommodating small culinary and agricultural businesses.

Number of Awards: 208; Grand Total: \$80,119,669

Loan Total: \$5,409,000; Grant Total: \$74,710,669

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
NY	Charles Schumer Kirsten Gillibrand	Nick Langworthy (23)	Appalachian Regional Commission Grant	St. Stephen's Episcopal Church	\$250,000		This Rural Development investment will be used to renovate the Watson Ministry Center of St. Stephen's Episcopal Church, in the city of Olean, in Cattaraugus County, New York. The project will renovate office space the church uses to administer mental health counseling services for residents of Cattaraugus and Allegany Counties.
WV	Joe Manchin Shelley Moore Capito	Alex Mooney (02)	Appalachian Regional Commission Grant	Grow Ohio Valley Incorporated	\$763,057		This Rural Development investment will be used to renovate a warehouse which will serve as a processing facility for fresh and value-added food products and to safely process and certify farm products for distribution to wider markets. The facility will provide local food entrepreneurs with tools to expand their production of packaged, shelf-stable products. A \$167,000 local contribution will be included in the project as well as a \$3,000 state contribution. This project will create 11 jobs and retain 46.
DELTA HEALTH CARE GRANTS							
AR	John Boozman Tom Cotton	Bruce Westerman (04) Rick Crawford (01)	Delta Health Care Services Grants	Jefferson Hospital Association Incorporated	\$844,812		This Rural Development investment will be used to help Jefferson Hospital Association renovate the Jefferson School of Nursing building in Pine Bluff, Arkansas. This project will expand the designated student space and telehealth training center, resulting in increased student capacity. The renovations also include the addition of a commercial teaching kitchen that will house and operate a food pharmacy for the Pine Bluff area. This project will provide services to eight counties in the Arkansas Delta region and is expected to assist 135 individuals and create two jobs.
MS	Roger Wicker Cindy Hyde-Smith	Bennie Thompson (02)	Delta Health Care Services Grants	Aaron E.Henry Com. Health Service Center	\$999,438		This Rural Development investment will be used to bring much-needed services to six rural counties in the Mississippi Delta Region. This project will help to advance health equity, justice, diversity, inclusion while building the groundwork for stronger community health systems and addressing mental and physical health disparities; the project will provide training, referrals and support services.
MS	Roger Wicker Cindy Hyde-Smith	Bennie Thompson (02)	Delta Health Care Services Grants	Delta Health Authority	\$1,500,000		This Rural Development investment will be used to support personnel and operation expenses to ensure the success and long-term sustainability of these initiatives serving predominantly rural and underserved communities operated by Delta Regional Authority located in Clarksdale, Mississippi.
TN	Marsha Blackburn Bill Hagerty	Steve Cohen (09)	Delta Health Care Services Grants	University of Tennessee	\$364,502		This Rural Development investment will be used to provide funds to the University of Tennessee for technical assistance and training to combat sickle cell disease in the Delta Region. The purpose of this program is to address the continued unmet health needs in the region through cooperation among health care professionals, institutions of higher education, and research entities.
TN	Marsha Blackburn Bill Hagerty	David Kustoff (08)	Delta Health Care Services Grants	University of Tennessee	\$407,722		This Rural Development investment will be used to provide training to police officers and social workers in the Delta Region. This project will address the unmet health needs of individuals in the region through cooperation amongst health care professionals, the university, and other entities.
GRANTS FOR RURAL AND NATIVE ALASKAN GRANTS

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$95,250		This Rural Development investment will be used to assist the community of St. Paul to develop a preliminary engineering report and environmental report to evaluate alternatives for replacement ductile and cast-iron water mains and the pumphouse and develop a technical memorandum for rehabilitation of the water treatment plant.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$66,000		This Rural Development investment will be used to assist the community of Kachemak to develop a preliminary engineering report and environmental report to evaluate alternatives for a community-wide water system.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$90,000		This Rural Development investment will be used to fund a preliminary engineering report to evaluate alternatives for wastewater treatment, including, but not limited to, expanding the existing lagoon, relocating the lagoon, providing secondary wastewater treatment, and replacing individual septic tanks, in the community of Igiugig, Alaska.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$66,000		This Rural Development investment will be used to help develop a preliminary engineering report to evaluate alternatives for addressing the deficiencies of low water pressure and limited storage capacity associated with the water storage tank in Nondalton, Alaska.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$93,750		This Rural Development investment will be used to assist the community of Seldovia in developing a preliminary engineering report and environmental report to evaluate alternatives for repair or replacement of the water transmission and distribution system, and the wastewater collection systems.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$206,250		This Rural Development investment will be used to purchase a truck and sewage pump trailer for the community of Nondalton, Alaska.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$93,750		This Rural Development investment will be used to help develop a preliminary engineering report to evaluate alternatives for wastewater collection and treatment in Tyonek, Alaska.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$1,125,000		This Rural Development investment will be used to help the community of Mekoryuk replace flush tank and haul units to eight homes, and repair and replace damaged floor supports, plywood flooring, and bathroom and shower fixtures in the washeteria's bathrooms.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$2,949,000		This Rural Development investment will be used to assist the community of Seldovia, Alaska, improve their wastewater treatment system. The project will include replacing the cast iron and ductile iron slough sewer mains with HDPE piping, reconstructing 23 services with jointless HDPE piping, and removing and capping five cleanouts in the slough.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$93,750		The Rural Development investment will be used to develop a preliminary engineering report and environmental report for the community of Twin Hills, Alaska, to evaluate alternatives that address deficiencies in the community wastewater collection system and wastewater lagoon.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$400,000		This Rural Development investment will be used to provide technical assistance and training to conduct sanitary surveys, troubleshoot heating systems, and conduct energy audits of water facilities in rural communities in Alaska.

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$1,729,489		This Rural Development investment will be used to complete a new water treatment plant in New Stuyahok, Alaska.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$1,180,125		This Rural Development investment will be used to assist the community of Seldovia to design an aerated lagoon, sewer force main, and marine outfall.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$95,250		This Rural Development investment will be used to conduct an inflow and infiltration study of the gravity system in St. Mary's, Alaska, by flow monitoring and inspecting all manholes in the community.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$66,000		This Rural Development investment will be used to help the Native Village of Chitina, Alaska, to develop a preliminary engineering report and environmental report to evaluate alternatives to provide community-wide piped water and sewer service and evaluate the existing septic tank and drain field systems for repair or replacement.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$66,000		This Rural Development investment will be used to help the community of Voznesenka, Alaska to develop a preliminary engineering report and environmental report to evaluate alternatives for addressing water treatment plant deficiencies.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$66,000		This Rural Development investment will be used to assist the community of Pilot Point, Alaska to develop a preliminary engineering report and environmental report to evaluate alternatives for addressing filtration systems community-wide, three non-functional wells, and three homes without wells.
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Grants for Rural and Native Alaskan Grants	Alaska Native Tribal Health Consortium	\$66,000		This Rural Development investment will be used to help the Native Village of Kluti-Kaah in Copper Center, Alaska to develop a preliminary engineering report and environmental report. This project will help evaluate alternatives for addressing non-functioning and failing septic systems and drain fields for 21 homes and to provide a community washeteria, watering point, and distribution system for community buildings.
HOUSING PRESERVATION GRANTS							
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Housing Preservation Grant	Rural Alaska Community Action Program (CAP), Incorporated	\$125,000		This Rural Development investment will be used to assist very-low income homeowners, which will entail a variety of home repairs and improvement projects for owner-occupied homes in Hooper Bay, Alaska.
AL	Tommy Tuberville Katie Britt	Terri Sewell (07)	Housing Preservation Grants	Agape Community Economic Development Incorporated	\$100,000		This Rural Development investment will be used to assist very-low income homeowners, which will entail a variety of home repairs and improvements projects for owner-occupied homes in Dallas County.
AL	Tommy Tuberville Katie Britt	Terri Sewell (07)	Housing Preservation Grants	Great Western Dev	\$100,000		This Rural Development investment will be used to rehabilitate six very-low-income, owner-occupied homes in Jefferson County, Alabama. Typical repairs will include structural repairs (foundation, floors, and walls), new roofs, repairs to the mechanical systems (plumbing, electrical and heating ventilation and air condition), repairs to the thermal standards, additions, or alterations to eliminate overcrowding, repairs to porches and steps, and exterior repairs. Repairs that increase the energy efficiency of the home including additional insulation and air sealing as indicated by a blower door test, will be a priority.

AL	Tommy Tuberville Katie Britt	Gary Palmer (06)	Housing Preservation Grants	City of Brent	\$100,000		This Rural Development investment will be used to rehabilitate 10 very-low income, owner-occupied homes in Bibb County, Alabama. Typical repairs will include structural repairs (foundation, floors, and walls), new roofs, repairs to the mechanical systems (plumbing, electrical and heating ventilation, and air condition), repairs to the thermal standards, additions, or alterations to eliminate overcrowding, repairs to porches and steps, and exterior repairs.
CA	Alex Padilla Laphonza Butler	Zoe Lofgren (18)	Housing Preservation Grants	CHISPA	\$300,000		This Rural Development investment will be used to support 46 very low-income and four low-income households in a Multi-Family Housing setting, for crucial repairs to their rental dwellings to ensure decent safe and sanitary living conditions, in Monterey County, California.
CA	Alex Padilla Laphonza Butler	Jim Costa (21) John Durate (13) Tom McClintock (05) Kevin McCarthy (20) David Valadao (22) Josh Harder (09)	Housing Preservation Grants - Disaster Funds	Self-Help Enterprises	\$50,000		This Rural Development investment will be used to assist very-low-income homeowners in Presidentially declared disasters that occurred in 2022. This entails a variety of home repairs and improvement projects to ensure the homeowners have decent, safe, and sanitary living conditions for owner-occupied homes in Fresno, Madera, Mariposa, Merced, San Joaquin, Stanislaus, Tulare counties.
CA	Alex Padilla Laphonza Butler	Jim Costa (21) David Valadao (22)	Housing Preservation Grants	Self-Help Enterprises	\$300,000		This Rural Development investment will be used to assist very-low-income persistent poverty homeowners. This entails a variety of home repairs and improvement projects to ensure the homeowners have decent, safe, and sanitary living conditions for owner-occupied homes in Tulare and Kings counties.
CA	Alex Padilla Laphonza Butler	Mike Thompson (04)	Housing Preservation Grants	Habitat for Humanity	\$200,000		This Rural Development investment will be used to support 50 low-income households for crucial repairs to their homes to ensure decent, safe and sanitary living conditions, in Tuolumne County.
CA	Alex Padilla Laphonza Butler	Doug LaMalfa (01)	Housing Preservation Grants	Self Help Home Improvement Project	\$120,000		This Rural Development investment will be used to support 25 very-low-income households for crucial repairs to their homes. This project will help ensure decent, safe and sanitary living conditions, in Shasta County.
CA	Alex Padilla Laphonza Butler	Kevin Kiley (03) Tom McClintock (05)	Housing Preservation Grants	Habitat for Humanity Lake County CA Incorporated	\$300,000		This Rural Development investment will be used to support 18 very low-income and three low-income households for crucial repairs to their homes. This project will help ensure decent, safe and sanitary living conditions for these households, in Lake County.
CA	Alex Padilla Laphonza Butler	Jared Huffman (02)	Housing Preservation Grants	Cher-Ae Heights Ind	\$300,000		This Rural Development investment will be used to assist three very low-income and one low-income household, which require critical repairs. This project will help ensure the residents are in decent, safe, and sanitary homes, in Humboldt County.

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
NJ	Bob Menendez Cory Booker	Jeff Van Drew (02)	Housing Preservation Grants	Maurice River, Twp of	\$140,000		This Rural Development investment will be used to fund construction consulting, engineering, and to fund the contractor for installation or replacement of septic systems. The geographical area to be served is Maurice River Township, which includes the villages of Delmont, Heislerville, Leesburg, Dorchester, Bricksboro, Port Elizabeth, Cumberland and Milmay. This project will assist up to eight households.
NM	Martin Heinrich Ben Ray Lujan	Teresa Leger Fernandez (03)	Housing Preservation Grants	Rebuilding Together	\$49,500		This Rural Development investment will be to provide necessary critical home repairs and disability modifications for low-income homeowners. Rebuilding Together will use the funds to make necessary repairs to homes for residents living in the rural communities of Algodones, Bernalillo, Cañon, Cuba, Pena Blanca, Placitas, Ponderosa, and San Ysidro all located within Sandoval County, New Mexico. This project will address housing instability by improving living conditions in the existing homes by fixing and replacing home health and safety hazards. The home modifications include replacement or repair of roofs, plumbing, heating, ventilation, air conditioning, electrical, drywall, flooring, windows, and doors. In addition, some homes will be modified to become handicapped accessible to reduce the risk of injury. These changes will include wheelchair ramps, removing barriers, widening doorways, lowering countertops and cabinets, and reconfiguring bathrooms to make them handicapped accessible. Recipients benefiting from these services are all low and very low-income individuals. This is the third Housing Preservation Grant obligation made by the Rural Housing Service to support Rebuilding Together's mission to upgrade the homes of low-income families in Sandoval County.
NY	Charles Schumer Kirsten Gillibrand	Claudia Tenney (24) Nick Langworthy (23)	Housing Preservation Grants	Bishop Sheen Ecumenical Housing Foundation Incorporated	\$230,000		This Rural Development investment will be used to support Bishop Sheen Ecumenical Housing Foundation's rehabilitation efforts throughout the rural areas of Allegany, Cayuga, Livingston, Ontario, Seneca, Steuben, Wayne, and Yates Counties. They will leverage their awarded \$230,000 in Housing Preservation Grant funds with a matching \$243,000 of New York State and in house funds to repair, improve and make homes handicapped accessible to an estimated 26 low-income homeowners in critical need.
NY	Charles Schumer Kirsten Gillibrand	Elise Stefanik (21) Paul Tonko (20)	Housing Preservation Grants	Rebuilding Together Saratoga County	\$231,725		This Rural Development investment will be used to support Rebuilding Together Saratoga County's (RTSC) housing rehabilitation efforts throughout the rural areas of Saratoga and Washington Counties. RTSC will leverage this Housing Preservation Grant (HPG) in the amount of \$231,725 with an additional \$120,000 of New York State funds to repair, improve, and make homes handicapped accessible for low-income homeowners in need. Additionally, due to another regional organization recently closed, RTSC will expand their service territory to include low-income rural homeowners in neighboring Washington County and provide their services to those in need.
NY	Charles Schumer Kirsten Gillibrand	Marc Molinaro (19) Pat Ryan (18)	Housing Preservation Grants	Rebuilding Together	\$75,000		This Rural Development investment will be used to support Rebuilding Together Dutchess County's rehabilitation efforts throughout the rural areas of Dutchess and Ulster Counties. They will leverage their awarded \$75,000 Housing Preservation Grant with \$37,500 of additional funds to repair, improve and make homes accessible to an estimated 10 low-income homeowners in critical need.

TX	John Cornyn Ted Cruz	Ronny Jackson (13) Jodey Arrington (19)	Housing Preservation Grants	Panhandle Community Services	\$200,000		This Rural Development investment will be used to assist very low-income homeowners, which will entail a variety of home repairs and improvement projects for owner-occupied homes in Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, Wheeler counties.
TX	John Cornyn Ted Cruz	Nathaniel Moran (01) Lance Gooden (05)	Housing Preservation Grants	Northeast Texas Habitat for Humanity	\$375,000		This Rural Development investment will be used to assist between 15 and 17 very low-income homeowners with critical home repairs in rural areas of Gregg, Harrison and Upshur Counties in northeast Texas.
UT	Mike Lee Mitt Romney	John Curtis (03)	Housing Preservation Grants	Uintah Association of Gov	\$50,000		This Rural Development investment will be used to assist up to 10 low and very low-income, single family occupied households rehabilitate their home over the next year. The project will be located in the Daggett, Duchesne, and Uintah Counties of Utah.
UT	Mike Lee Mitt Romney	John Curtis (03)	Housing Preservation Grants	Community Rebuilds	\$50,000		This Rural Development investment will be used to renovate an apartment house and detached home that together provide 11 subsidized rental units for very low-income renters in Grand County, Utah, where affordable housing is extremely difficult to secure.
VA	Mark Warner Tim Kaine	Ben Cline (06)	Housing Preservation Grants	Renovation Alliance	\$210,000		This Rural Development investment will be used to help homeowners in Botetourt, Craig, Floyd, Franklin and Roanoke Counties make repairs to remove health and safety hazards from their dwellings. Funds will be used for restoration activities that include, but are not limited to, new roofs; electrical, plumbing and heating and cooling repairs; and improvements to address structural issues with the homes.
VA	Mark Warner Tim Kaine	Bob Good (05)	Housing Preservation Grants	Thomas Jefferson Planning District	\$212,435		This Rural Development investment will be used to sub-contract with local housing nonprofit organizations to carry out emergency repairs, rehabilitation, and home safety modifications for very low income rural homeowners in Albemarle, Fluvanna, Greene, Louisa and Nelson Counties.
VA	Mark Warner Tim Kaine	Morgan Griffith (09)	Housing Preservation Grants	Appalachia Service Project Incorporated	\$110,000		This Rural Development investment will be used to assist 15 owner-occupied very low to low-income households with critical rehabilitation and repairs in persistent poverty areas of Virginia's Lee, Wise, and Dickenson counties.
VT	Bernie Sanders Peter Welch	Becca Balint (At Large)	Housing Preservation Grants	Northeast Employment & Training	\$150,000		This Rural Development investment will be used to rehabilitate 26 homes belonging to low-income homeowners in Vermont's Northeast Kingdom, one of five Rural Economic Area Partnership zones in the U.S., or REAP zone. Improvements will include energy conservation measures aimed at the reduction of heating fuel and electric energy consumption, allowing homeowners to age in place with dignity and self-sufficiency. This project will target households at or below 50 percent of Vermont's median home income. The home improvements will help residents save money, and also bring the properties into compliance with housing quality standards and codes. The homes assisted with these funds are located within Caledonia, Essex, and Orleans Counties of Vermont.

Number of Awards: 208; Grand Total: \$80,119,669

Loan Total: \$5,409,000; Grant Total: \$74,710,669

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
CA	Alex Padilla Laphonza Butler	Mike Thompson (04)	Socially-Disadvantaged Groups Grants	California Center for Cooperative Dev.	\$175,000		This Rural Development investment will be used to provide technical assistance to 10 socially-disadvantaged groups located in rural areas in California. Two of the projects are in the persistent poverty counties of Fresno and Tulare. The 10 projects are described as five agriculture cooperatives, four housing cooperatives, and one worker cooperative. The aim of the technical assistance of this proposal is to build resilience for rural communities in California by supporting agriculture, housing, and worker cooperatives in underserved communities/regions.
MA	Elizabeth Warren Ed Markey	Jim McGovern (02)	Socially-Disadvantaged Groups Grants	Cooperative Development Institute Inc.	\$175,000		This Rural Development investment will be used to provide culturally appropriate training and technical assistance to socially disadvantaged groups to help them progress through cooperative development. This project will help participants learn how to access public and private resources for business development. Cooperative Development Institute Inc. is an independent cooperative leader that works with people in the northeast to provide business education, training and technical assistance.
Tribal College Initiative Grants							
AK	Lisa Murkowski Dan Sullivan	Mary Peltola (At Large)	Tribal College Initiative Grants	Ilisagvik Tribal College	\$352,000		This Rural Development investment will be used to procure vehicles for Ilisagvik Tribal College in Utqiagvik, Alaska, including for staff mission on related travel, the maintenance and operations team, and
AZ	Kyrsten Sinema Mark Kelly	Raul Grijalva (07)	Tribal College Initiative Grants	Tohono O'odham Community College	\$351,000		This Rural Development investment will be used to furnish the Language Center Building on the main campus of Tohono O'odham Community College, and to purchase and install solar panels and the solar energy components to provide solar energy for the new building. This renewable energy investment will offset the cost of the increased electric usage generated by the new building and increased costs of the Tohono O'odham Utility Authority.
AZ	Krysten Sinema Mark Kelly	Eli Crane (02)	Tribal College Initiative Grants	Dine College	\$351,000		This Rural Development investment will be used to purchase the materials needed to complete a livestock holding facility, steel indoor structure, utility support to the building and grounds, and foundation work for Dine College's new agriculture education facility. Once completed, the Dine' College will use the space to provide education classes and training on handling livestock.
MN	Amy Klobuchar Tina Smith	Pete Stauber (08)	Tribal College Initiative Grants	Red Lake Nation College	\$352,000		This Rural Development investment will be used to help purchase equipment for the Red Lake Nation College. This land grant institution in Red Lake, Minnesota hosts approximately 150 students and 40 staff and was newly constructed in 2015. This project will help the college purchase outdoor maintenance equipment to help ensure the facility provides safe walkways and roads for patrons.
MN	Amy Klobuchar Tina Smith	Pete Stauber (08)	Tribal College Initiative Grants	White Earth Tribal & Community College	\$352,000		This Rural Development investment will be used to help purchase outdoor equipment for White Earth Tribal and Community College facility maintenance. Proposed outdoor equipment includes an SUV, tractor, and UTV trailer to assist with facility maintenance for safe walkways and driveways for patrons.
MN	Amy Klobuchar Tina Smith	Pete Stauber (08)	Tribal College Initiative Grants	Leech Lake Tribal College	\$334,400		This Rural Development investment will be used to help Leech Lake Tribal College purchase a lawn mower and renovate facility bathrooms. Enhancements will help to ensure the college provides a safe, clean atmosphere for administration of higher educational learning and teaching.

Number of Awards: 208; Grand Total: \$80,119,669

Loan Total: \$5,409,000; Grant Total: \$74,710,669

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
MT	Jon Tester Steve Daines	Ryan Zinke (01)	Tribal College Initiative Grants	Blackfeet Community College	\$348,017		This Rural Development investment will be used to purchase equipment for the Blackfeet Community College. The tribal college extension program employs staff to support agricultural training and demonstrations for enhancing its internship program. Due to lack of equipment in the past, this program has been under used. This grant will purchase equipment to support this critical educational program and also to support year-round campus maintenance including snow removal.
MT	Jon Tester Steve Daines	Ryan Zinke (01)	Tribal College Initiative Grants	Salish-Kootenai College	\$348,017		This Rural Development investment will be used to prep and pave a parking lot adjacent to the Studio Dorm housing project at the Salish Kootenai College. Founded in 1977 and located on the Flathead Reservation in Pablo, Montana, the college is a non-profit organization established to provide quality educational programs and culturally oriented educational opportunities for Native Americans of any tribal background.
MT	Jon Tester Steve Daines	Matt Rosendale (02)	Tribal College Initiative Grants	Chief Dull Knife College	\$352,000		This Rural Development investment will be used by the Chief Dull Knife Community College on the Northern Cheyenne Indian Reservation in Lane Deer, Montana, to purchase four 12-passenger vans and one commercial grade paper shredder. The college, established in 1979, exists to provide quality educational programs and culturally oriented educational opportunities for residents of the Reservation. Located in a persistent poverty area, the equipment will help the college provide transportation for students and staff and facilitate more efficient document management for the administration.
MT	Jon Tester Steve Daines	Ryan Zinke (01)	Tribal College Initiative Grants	Blackfeet Community College	\$352,000		This Rural Development investment will be used to assist the Blackfeet Community College on the Blackfeet Indian Reservation in Browning, Montana, to purchase landscaping and farming support equipment and classroom equipment such as tables and chairs. Chartered in 1982, the college is a non-profit organization established to provide quality educational programs and culturally oriented educational opportunities for Native Americans. This project will benefit more than 350 enrolled college students annually.
MT	Jon Tester Steve Daines	Matt Rosendale (02)	Tribal College Initiative Grants	Stone Child College	\$352,000		This Rural Development investment will be used by Stone Child College on the Rocky Boy's Indian Reservation in Box Elder, Montana, to purchase equipment for the college. Items designated for purchase include computers, IT networking equipment and accessories, fitness equipment for instruction and student body fitness uses, physical therapy equipment for students and athletes, and a pickup truck, to replace an older one currently in use. This project will benefit more than 500 students, faculty and staff served by the college annually.
MT	Jon Tester Steve Daines	Ryan Zinke (01)	Tribal College Initiative Grants	Salish-Kootenai College	\$352,000		This Rural Development investment will be used by the Salish-Kootenai College on the Flathead Indian Reservation in Pablo, Montana, to purchase equipment supporting student transportation and grounds maintenance activities. This project will positively impact more than 700 students, faculty and staff members on the campus.
MT	Jon Tester Steve Daines	Matt Rosendale (02)	Tribal College Initiative Grants	Little Big Horn College	\$352,000		This Rural Development investment will be used to purchase 140 acres to establish an agricultural experiment and teaching station on the Crow Indian Reservation. Little Big Horn College in Crow Agency, Montana, will enhance its agricultural curriculum by facilitating research that explores best practices for raising livestock, plant breeding, analyzing agricultural value changes, examining interaction among soil health, agricultural productivity, and water quality. This project will enhance the academic experience for students and research opportunities for faculty.

MT	Jon Tester Steve Daines	Matt Rosendale (02)	Tribal College Initiative Grants	Fort Peck Community College	\$352,000		This Rural Development investment will be used to purchase two modular homes at its Wolf Point campus, Fort Peck Community College in Poplar, Montana. Because of a shortage of housing in the area, these units will be used to recruit and retain quality faculty to the college. The college will employ its internal construction crew to prepare the site, build the foundation and provide landscaping for these homes with the potential to impact more than 500 students, faculty and staff members.
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	Tribal College Initiative Grants	Cankdeska Cikana Community College	\$352,000		This Rural Development investment will be used to make improvements to Cankdeska Cikana Community College including heating, ventilation, and air conditioning unit repairs and replacements in the daycare classrooms; to replace flooring in the student services center, carpentry wing, and adult education center; for roof repairs above the nursing station. This project will benefit the over 4,000 members of the Spirit Lake Tribe.
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	Tribal College Initiative Grants	United Tribes Technical College	\$352,000		The Rural Development investment will be used to finance street improvements to United Tribes Technical College, located in Bismarck, North Dakota. The project will consist of the reconfiguration of the All Nations Circle and Sisseton Street East Intersection to improve safety and allow for future improvements. Intersections will be revised to create right angled intersections and allow for improved pedestrian bicycle access through campus. Drainage and utility improvements will also occur within the project limits. The entire campus of United Tribes Technical College, which includes about 638 students and faculty/staff, along with any prospective students or visitors will benefit from this improvement.
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	Tribal College Initiative Grants	Turtle Mountain Community College	\$352,000		This Rural Development investment will be used to remove and replace the current concrete at the Turtle Mountain Community College. The concrete is starting to crumble and is a safety hazard. This project will impact the approximate 8,600 members of the Turtle Mountain Band of Chippewa Indians.
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	Tribal College Initiative Grants	Sitting Bull College	\$352,000		This Rural Development investment will be used to purchase and install seating for its outdoor classroom and engineering/architecture fees at Sitting Bull College. This will impact the entire school body and the Standing Rock Sioux Tribe, which will have the opportunity to use for special instructional events. This project will have a positive effect on 8,217 people.
ND	John Hoeven Kevin Cramer	Kelly Armstrong (At Large)	Tribal College Initiative Grants	Nueta Hidatsa Sahnish College	\$352,000		This Rural Development investment will be used to remove and replace the concrete at Nueta Hidatsa Sahnish College. The current concrete is starting to crumble and is a safety hazard. This will benefit the approximate 6,300 members of the Fort Berthold Reservation.

NE	Deb Fischer Pete Ricketts	Adrian Smith (03)	Tribal College Initiative Grants	Nebraska Indian Community College	\$352,000		This Rural Development investment will be used to provide additional financing to construct a 10,500 square foot community building on the Santee Campus of the Nebraska Indian Community College (NICC). The building will be used for education, graduations, Pow Wows, and continuing education for the community. The cost to complete the project is estimated at \$1.3 million. This project will benefit enrolled students and staff at NICC, and the neighboring community of Santee, population of 878.
NE	Deb Fischer Pete Ricketts	Adrian Smith (03)	Tribal College Initiative Grants	Little Priest Tribal College	\$352,000		This Rural Development investment will be used to renovate/remodel the inside of the Elk Clan auditorium to address Americans with Disabilities Act (ADA) compliance, seating, and acoustic issues. Little Priest Tribal College upgrades will include new carpet, handrails for ADA requirements, acoustic wall panels, window shades, new hollow metal doors/frames, removing and replacing the chair/desk system, new portable podium, and proper power and communication equipment. This project will make this facility more conducive for learning and for community meetings, contributing to the Native American student experience for the 250 students, faculty and staff in this persistent poverty county.
NM	Martin Heinrich Ben Ray Lujan	Teresa Leger Fernandez (03)	Tribal College Initiative Grants	Navajo Technical University	\$351,120		This Rural Development investment will be used to purchase vehicles for Navajo Technical University (NTU) an educational institution located in Crownpoint, New Mexico located within the Dine Community (Navajo Nation). The financial support is being used to purchase a new 35' custom-built RV mobile veterinary spay and neuter freightliner unit. This equipment will enable NTU to provide needed veterinary animal surgery, animal wellness visits, and veterinary animal education on the Navajo Nation Eastern Agency communities. NTU provides a state-of-art technology to the Navajo Nation based upon the Dine culture and traditions. Navajo Technical University is available to all Native American students.
NM	Martin Heinrich Ben Ray Lujan	Teresa Leger Fernandez (03)	Tribal College Initiative Grants	Institute of American Indian Art	\$351,120		This Rural Development investment will be used to purchase Electric Vehicle (EV) charging stations for the parking areas and installing 382 solar panels to power the Academic Building located at the Institute of American Indian Arts (IAIA) campus an educational institution located near Santa Fe, New Mexico. The solar panels will produce 248,052 kilowatt hours (kwh) of electricity which will assist IAIA in decreasing its electricity consumption and meeting the school's goal to reduce its carbon footprint. IAIA is a member of the Climate Action Task Force (CATF) which documents, informs, and supports the climate action efforts of tribal nations and organizations. IAIA is one of the colleges covered by the Equity in Education Land-Grant Status Act of 1994. The school is a national center of research, training, and scholarship for Native Americans who are interested in Native art and culture. The majority of the population attending the college is Native American; however, the campus is open to all worldwide.
OK	James Lankford Markwayne Mullin	Josh Brecheen (02)	Tribal College Initiative Grants	College of the Muscogee Nation	\$334,264		This Rural Development investment will be used to purchase seating for the College of the Muscogee Nation's new lecture hall, currently under construction on their campus in Okmulgee, Oklahoma. In addition, a clock tower will be installed on campus at the Central Circle Plaza. The College of the Muscogee Nation is a 1994 tribal land-grant institution, providing higher education courses resulting in an associate degree and/or a certificate program for their students, along with gainful employment to 459 Native American faculty and staff members, all who reside within an eight-county region of central Oklahoma. This project will allow the college to enhance its mission and provide an area for culture events and student gatherings, as the lecture hall is designed for graduations, science fairs, scholarly presentations, colloquiums, and tribal community meetings.

December 11, 2023**

Number of Awards: 208; Grand Total: \$80,119,669

Loan Total: \$5,409,000; Grant Total: \$74,710,669

States	Senators	Representatives	Program	Recipient	Grant Amount	Loan Amount	Project Description
OK	James Lankford Markwayne Mullin	Josh Brecheen (02)	Tribal College Initiative Grants	College of the Muscogee Nation	\$327,651		This Rural Development investment will be used to purchase multi-media equipment for the College of the Muscogee Nation's (CMN) new educational facility and exhibit hall, currently under construction on their campus in Okmulgee, Oklahoma. The CMN is a 1994 tribal land-grant institution, providing employment and higher education courses, which result in an associate degree and/or certificates, to 342 Native American staff members, faculty, and students, residing within an eight-county region of central Oklahoma. This project will allow the college to enhance its mission to become a technologically advanced campus. The visibility of the multi-media equipment located throughout the new classrooms and exhibit/lecture hall will create a positive and interactive atmosphere. Use of this multi-media technology will create a greater capacity to host and conduct distance education courses thus enhancing CMN's ability to offer degrees to a wider range of students.
SD	John Thune Mike Rounds	Dusty Johnson (At Large)	Tribal College Initiative Grants	Sinte Gleska University	\$352,000		This Rural Development investment will be used to replace the roof at the Wakinyan Wanbli Multipurpose building in Mission, South Dakota. This project will also replace heating, ventilation and air conditioning systems at four additional campus buildings and installation of two security camera systems. These repairs and equipment purchases will help keep the college facilities in good condition and benefit approximately 1,182 rural residents.
SD	John Thune Mike Rounds	Dusty Johnson (At Large)	Tribal College Initiative Grants	Oglala Lakota College	\$352,000		This Rural Development investment will be used to replace the roof on the Oglala Lakota College multipurpose building. It will also replace the flooring in the Piya Wiconi facility, with low maintenance vinyl plank flooring; the building is used as their primary administration building. Additionally, the college will purchase two vehicles for student transportation. This project will help the tribal college continue to provide quality education in the rural tribal community.
SD	John Thune Mike Rounds	Dusty Johnson (At Large)	Tribal College Initiative Grants	Sisseton Wahpeton College	\$352,000		This Rural Development investment will be used to purchase equipment for administrative, Information Technology, academic staff, maintenance, and support services to meet the demands of increasing enrollment and additional educational programs.
WA	Patty Murray Maria Cantwell	Rick Larsen (02)	Tribal College Initiative Grants	Northwest Indian College	\$318,980		This Rural Development investment will be used to purchase three vehicles; a 2023 Ford Lightning, Kubota Tractor and a Utility Terrain Vehicle (UTV) for Northwest Indian College. These vehicles will be used for campus maintenance including digging, dirt moving, snow plowing, and material transportation. Also, six vehicle charging stations will be installed at the parking area of the new building that is currently under construction at the college. These will be used to charge student and staff electric vehicles.
WI	Ron Johnson Tammy Baldwin	Tom Tiffany (07)	Tribal College Initiative Grants	Lac Courte Oreilles Ojibwe University	\$352,000		This Rural Development investment will be used to renovate the business office space for Lac Courte Oreilles Ojibwe University. Improvements to the workflow of office space will include new commercial-grade doors to ensure the security of the personnel and staff. Additionally, if funding allows, the university will use grant funds to remove and replace worn carpet and vinyl flooring with commercial-grade materials in the office areas.
