

**NOTE:**

- USDA will accept the redesigned (new) URLA form as a supporting document prior to the March 1, 2021 mandate.
- Legacy GUS will not accept the new redesigned URLA electronic dataset (MISMO 3.4 XML)
  - Legacy GUS will continue to accept the MISMO 2.3.1 or DU 3.2 dataset through February 26, 2021
- Legacy GUS will be retired and converted to a read-only system when the New GUS platform is made available on March 1, 2021.
  - Users with access to Legacy GUS will automatically be granted the same access level to New GUS (no new credential or user setup is required)
- New GUS will accept the redesigned URLA electronic dataset (FNMA DU MISMO 3.4 v1.8.1 XML) beginning March 1, 2021
- Streamlined Assist Refinance Loans continue to be Manually Submitted to USDA
