OPPORTUNITIES FOR IMMEDIATE RELIEF

Rural Housing Service
Single-Family Housing
Effective March 19, borrowers with USDA single-family housing Direct and Guaranteed loans are subject to a moratorium on foreclosure and eviction for a period of 60 days. This action applies to the initiation of foreclosures and evictions and to the completion of foreclosures and evictions in process.

Direct Loan Program:
- USDA has waived or relaxed certain parts of the application process for Single-Family Housing Direct Loans, including site assessments, and has extended the time period that certificates of eligibility are valid.
- A Direct Loan borrower who is experiencing a reduction of income by more than 10 percent can request a Payment Assistance package to see if he/she is eligible for payment assistance or for more assistance than currently received.
- Moratorium Assistance is available for Direct Loan borrowers experiencing medical bill expenses (not covered by insurance) or job loss because of COVID-19. Qualifying borrowers can receive a moratorium on house payments for a period of time, repaid at a later date.
- Direct Loan questions should be directed to USDA’s Customer Service Center at 800-414-1226 (7:00 a.m.-5:00 p.m. Eastern Time Monday-Friday) or https://www.rd.usda.gov/contact-us/loan-servicing. Call volume and wait times are high at this time.

Guaranteed Loan Program:
- Guaranteed Loan borrowers who are in default or facing imminent default due to a documented hardship can have payments reduced or suspended by their lender for a period not to exceed 12 months delinquency. Once the hardship is resolved, the lender can modify the loan to cure the delinquency or make up the missed payments based on the borrower’s individual circumstances.
- * USDA is granting lenders temporary exceptions pertaining to appraisals, repair inspections and income verification for the Single-Family Housing Guaranteed Loan Program (SFHGLP) due to the COVID-19 pandemic. Effective immediately, the following exceptions to Agency guidance found at HB-1-3555 are in effect for a period of 60-days.
* Residential Appraisal Reports – Existing Dwelling: For purchase and non-streamlined refinance transactions, when an appraiser is unable to complete an interior inspection of an existing dwelling due to concerns associated with the COVID-19 pandemic, an “Exterior-Only Inspection Residential Appraisal Report”, (FHLMC 2055/FNMA 2055) will be accepted. In such cases, appraisers are not required to certify that the property meets HUD HB 4000.1 standards. The appraisal must be completed in accordance with the Uniform Standards of Professional Practice (USPAP) and the Uniform Appraisal Dataset (UAD). This exception is not applicable to new construction properties or construction-to-permanent loans. As a reminder, appraisals are not required for streamlined and streamlined-assist refinance transactions.

* Repair Inspections – Existing Dwelling: For loans for which a completion certification is not available due to issues related to the COVID-19 pandemic, a letter signed by the borrower confirming that the work was completed is permitted. Lenders must also provide further evidence of completion, which may include photographs of the completed work, paid invoices indicating completion, occupancy permits or other substantially similar documentation. All completion documentation must be retained in the loan file. This exception is not applicable to rehabilitation and repair loans noted in section 12.28 of HB-1-3555.

* Verbal Verification of Employment: Lenders must document and verify the borrower’s annual and repayment income in accordance with Agency regulations. Lenders should use due diligence in obtaining the most recent income documentation to re-verify the borrower’s repayment ability prior to closing. When the lender is unable to obtain a Verbal Verification of Employment (VVOE) within 10 business days of loan closing due to a temporary closure of the borrower’s employment, alternatives should be explored. For example, email correspondence with the borrower’s employer is an acceptable alternative to a VVOE. If the lender is unable to obtain a VVOE or acceptable alternative, the requirement will be waived when the borrower has a minimum of two months cash reserves. In the case of a reduction of income, the borrower’s reduced income must be sufficient to support the new loan payment and other non-housing obligations. Borrowers with no income at the time of closing are not eligible for SFHGLP loans regardless of available cash reserves.

* Expiration of Temporary Exceptions: These temporary exceptions will expire 60 days from the date of this notice.

* Multi-Family Housing

Multi-Family Housing is taking several steps to help owners, management agents and tenants maintain quality housing during the COVID-19 outbreak. Specifically, three immediate steps are effective for Section 515 Multi-Family properties:

- Tenant certifications due March 31, April 30 and May 31 for Multi-Family properties have been extended to June 30 with no late fees or overage charges, as allowed in Multi-Family guidance (HB-3-3560, Chapter 4, Section 4.11). This extension will allow for additional time to complete needed certifications while avoiding face-to-face meetings as recommended by the Centers for Disease Control and Prevention (CDC).
• Late fees on Section 515 mortgages will be waived, subject to waiver authority in 7 CFR 3560.403 (c)(3).
• Section 515 Annual Financial Statements due March 31 will be extended 30 days, as per Multi-Family guidance (HB-2-3560 Chapter 4, Section 4.16-H). USDA is exploring whether a longer extension is appropriate and will provide further guidance.
• Current policy states that owners must process an interim recertification at the tenant’s request if there is a change in income of $50 or more per month. The owner should already have this policy in writing and apply it consistently. To the maximum extent possible, we encourage all owners to work with all tenants with impacted income to adjust rent payments.
• USDA encourages all owners to work with impacted residents and families to adjust rent payments, enter into forbearance agreements, and lessen the impact on affected residents. At this time, no additional subsidy funding has been made available. If borrowers are temporarily unable to make loan payments, the Agency may waive late fees and enter into an official workout plan.

Rural Utilities Service
• On March 20, 2020, USDA extended for 60 days the deadline for Telecommunications and Electric Program borrowers and grantees to submit their annual CPA audit. In most cases, such audits are due to the agency by April 30, 2020.
• USDA is waiving borrower covenant requirements for loan agreement financial ratios for the period from Jan. 1, 2020, through Dec. 31, 2020. Additionally, USDA is waiving all financial reporting requirements associated with existing Rural Utilities Service (RUS) loan and grant covenants beginning Jan. 1, 2020 through June 30, 2020.
• The RUS Administrator has delegated authority to the RUS Telecommunications, Electric, and Water and Environmental Programs to consider requests to waive certain site inspection requirements during the current COVID-19 National Emergency.
• Applicants will be able to use alternative methods to notify the public, such as through videoconferences, teleconferences and public notices on websites and in local newspapers, as a substitute for the public meeting notification requirement for water and waste projects.
• On a case-by-case basis, USDA will help Electric Program borrowers gain access to obligated funds more quickly at current low interest rates by considering extensions of loan terms (within statutory limits); considering requests to move obligated funds between the Electric Program’s six budget purposes where the new purpose has cleared environmental review; and by considering Temporary Normal Inventory (TNI) requests.

Rural Business-Cooperative Service
• Beginning immediately, through July 31, 2020, USDA Business and Industry Loan Guarantees (B&I) and Rural Energy for America Program (REAP) Guaranteed lenders may assist borrowers experiencing temporary cash flow issues by deferring payments for a period no longer than 120 days. The lender must notify the Agency in writing of any payment deferments. Written notification to the Agency will meet the standard for concurrence until July 31, 2020. A response from the Agency is not required. This guidance applies to ALL borrowers that had a current repayment status as of March 1, 2020.
If the guaranteed loan has been sold on the secondary market, the secondary market holder and lender must agree to the deferment actions being taken. The Agency will expect a written agreement from both parties in these instances.

- RBCS intermediary borrowers continue to have authority to service loan portfolios independent of USDA. Intermediary borrowers participating in these programs may approve loan payment deferrals may to their borrowers without USDA approval. These programs are:
  - Intermediary Relending Program (IRP)
  - Rural Business Development Grant (RBDG)
  - Rural Economic Development Loan and Grant (REDL and REDG)
  - Rural Microentrepreneur Assistance Program (RMAP)

- For existing Intermediary Relending Program (IRP) and Rural Economic Development Loan (REDL) borrowers, the Agency is committed to maintaining well-capitalized intermediary lenders and will work with you on loan servicing requests on a case-by-case basis to make sure you remain a pillar in our rural business communities.

* **Rural Development Guaranteed Loan Programs**

Effective immediately until September 30, 2020, lenders may offer 180-day loan payment deferrals without prior agency approval for **Business and Industry Loan Guarantees, Rural Energy for America Program Loan Guarantees, Community Facilities Loan Guarantees,** and **Water and Waste Disposal Loan Guarantees.** For additional information, see page 17721 of the March 31, 2020, *Federal Register.*
